EXTRACURRICULAR ACTIVITIES

Outreach Officer, CS+AI Club 2022 - Present

- Coordinated all outreach endeavors for the Computer Science and Artificial Intelligence club at Cal Poly to expand and improve the educational and collaborative space the club provides for over 150 members.

Web Development, Cal Poly SLO 2022 - Present

- Utilized HTML, CSS, and React to construct simple websites for a club, a friends monthly blog, and my mothers business. Developed simple animations, navigational tools, and user elements.

EXPERIENCE

Tutor, Meaningful Teens, East Bay Area, CA June 2020 - August 2020

- Collaborated with nonprofits to combat the language barrier that students learning English as a second language face by facilitating and tutoring elementary students to improve their English literary skills.

Volunteer, Eden I&R, Alameda County, CA June 2020 - August 2020

- Learned important business and telecommunication skills while assisting Eden I&R to reinstate food, shelter, and other social service providers into their database.

Lead Instructor, Camp Galileo, Berkeley, CA June 2021 - July 2023

- Worked directly with my Camp Director to lead all camp activities for 200+ campers
- Implemented the curriculum as written, adopting it as needed to improve the camper experience or accommodate individual campers, and capturing feedback to share with curriculum developers.
- Supervised Team Leaders/Assistant Instructors working in my program area and supported their professional development goals.
